Applicants are enclosing Form PTO-1449 (four sheets), along with a copy of each listed reference for which a copy is required under 37 CFR §1.98(a)(2). Pursuant

to the undersigned attorney's obligation and duties under 37 CFR §§ 1.56 and 1.98(a)(3) and (c), either English language abstracts, partial translations, or full translations are included for patent documents which are not in English for the express purpose of providing a concise explanation of the references to the Patent and Trademark Office with the opportunity to evaluate the same. Applicants respectfully request the Examiner's consideration of the above references and entry thereof into the record of this application.

Additionally, Applicants respectfully request that the examiner review the claims and prosecution history, including any Office Actions issued by the USPTO for co-pending related serial numbers 11/868,827, filed October 8, 2007, and 12/132,487, filed June 3, 2008.

By submitting this Statement, Applicants are attempting to fully comply with the duty of candor and good faith mandated by 37 CFR §1.56. As such, this Statement is not intended to constitute an admission that any of the enclosed references, or other information referred to therein, constitutes "prior art" or is otherwise "material to patentability," as that phrase is defined in 37 CFR §1.56(a).

Applicant have calculated a processing fee in the amount of \$180.00 to be due under 37 CFR §1.17(p) in connection with the filing of this Information Disclosure Statement. The Director is authorized to charge the fee associated with this filing to the deposit account indicated on the Transmittal accompanying this Information Disclosure Statement.

Respectfully submitted,
